

CERTIFICATE

FOR DETERMINING THE PRODUCT TYPE

07/203/VKBÜ/Z/8120935642/22/KSP/001(00)

According to the certification program STH-ZE-KSP-VA-320 of TÜV NORD Systems GmbH & Co. KG for Plastics Products, this certificate applies to the product

d-flexx Alfa

placed on the market under the name or brand

d-flexx Alfa

Dancop A/S
Banegraven 6
Denmark-3550 Slangerup

and produced in the manufacturing plant(s)

see Audit Report 1326KU222130/8120935642

This certificate attests that all test criteria for the determination of the product characteristics and for the determination of the product type, described in the technical specification

DIN EN 15512:2010-09, Section 6.4.1
DIN EN 15635:2009-08, Section 9.5.1

and summarized in the test report

1326KU222130 / 8120935642

have been met and that the manufacturer is effectively applying a quality management system with respect to the manufacture of mentioned plastic product.

The manufacturer is responsible for the usability of the the products manufactured and marked by him according to the technical specification.

This certificate was first issued 09.12.2022 and will remain valid until 11.2025 as long as neither the specifications in the mentioned technical specification, the plastic product nor the supplier's supply and manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the certification body.

Hamburg, 14.12.2022

Validity endorsement

valid until: 11.2025
